

Dear Ruth,

Thank you for your generous support of the mission and ministries of Mennonite Church Canada and its Regional Churches. As the effects of COVID-19 continue to curtail certain aspects of our collective ministry, God is opening doors to new ways of being the church locally, regionally, nationally and around the world.

There is no doubt that the faith of our constituents exceeds the anxiety caused by the pandemic. So many of our congregations and individual are continuing to express their faith through financial contributions during this time. As a result, hope abounds. We continue to be guided by our desire to be agents of healing and hope in our world and we seek to be led by the Holy Spirit to the places where we are called. Your gift helps to make this Kingdom work possible, even as the pandemic drags on.

On behalf of the ministries and people whose work and service are supported by this gift, thank you! As always, we welcome your prayers and invite your responses on all of the work we do together.

May God bless you and continue to make you a blessing,

Doug Klassen
